

# Teach hand washing the fun way

**Ideal for**

**Schools**

**Pre-school  
groups**

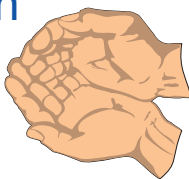

**Food handler  
training**

**It is easy as  
1,2,3.....**

**1. Rub  
Glitterbug Potion  
onto the hands.**

**2. Wash hands in  
the normal way.**

**3. Place hands  
under the lamp and  
as if by magic - all  
the bits that have  
not been washed  
properly start to  
glow.**

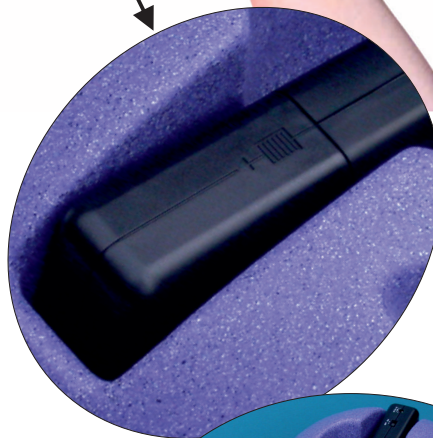

**Stick on the self-  
adhesive eyes, switch  
on and go!**

**Lamp  
simply  
"sits"  
in the  
disclosure  
center.**

To insert batteries slide the  
battery cover to the left.  
Follow instructions inside the  
casing to ensure batteries are  
inserted the correct way round.
